Qualifications

PREP This product is USDA compliant for use in food processing areas. It is 100% waterproof and washable.

The Greenguard Indoor Air Quality Certification ensures that these ceiling tiles meet strict chemical emissions limits which contribute to the creation of healthier interiors.

FDA Our thermoform tiles comply with FDA regulations for use in food preparation and serving areas. This means that our tiles can be installed in areas where sanitation and cleanliness is a must.

This tile is waterproof, Mold and Mildew resistant, and Cleans easily with soap and water.

This tile is Class A fire rated which is essential because most, if not all, counties in the US require a Class A fire rating for any interior building component.
