Qualifications

PREP This product is USDA compliant for use in food processing areas. It is 100% waterproof and washable.

This tile is waterproof, Mold and Mildew resistant, and Cleans easily with soap and water.

FDA Our thermoform tiles comply with FDA regulations for use in food preparation and serving areas. This means that our tiles can be installed in areas where sanitation and cleanliness is a must.

This tile is Class A fire rated which is essential because most, if not all, counties in the US require a Class A fire rating for any interior building component.
