Qualifications

 To ensure quality manufacturing, our ceiling tiles are UL listed meaning they comply with industry standard quality assurance checks. You can be satisfied knowing these products will meet your standards as well.

 This tile is Class A fire rated which is essential because most, if not all, counties in the US require a Class A fire rating for any interior building component.

 The Greenguard Indoor Air Quality Certification ensures that these ceiling tiles meet strict chemical emissions limits which contribute to the creation of healthier interiors.

 This tile is waterproof, Mold and Mildew resistant, and Cleans easily with soap and water.
